•1 "my" outpost, where I spent four weeks. outpost was at meeting point of coastal road and road to Ansar prison, approximately 7 kilometers to the east

•2 our "sister" outpost, a bit more than a kilometer as the crow flies from "my" outpost, about 2.5 kilometers via the road. In the first row of hills rising above the coastal plane. During our stay three RPG rocket-bombs were fired on it.

X3 The spot on the road from Arzai to A-Z'rareirah at which Miki and Sefi were killed. The bomb was in the wall of a terrace on the southern side of the road.

•4 The outpost just south of the Litani River where I was able to shower and eat a bit of cheese when on patrol.

•5 Rosh HaNikra

•6 Entrance to Lebanon near Metulla

•7 Spot in Golan where we spent three days.
